Re: Investigation - Bulk Firearms Sale; Northern District of Texas

Dear Mr. Harris,

This letter will confirm the contents of our telephone conversation in which I told you that I have been informed by Special Agent Loving that all criminal investigations currently pending in which you were a target have now ceased. Agent Loving has informed me that you are no longer the target of any criminal investigation, and there will not be any criminal prosecutions forthcoming. I will remain in contact with Agent Loving to ensure that there is no further information that he required from us or from you. To the extent that there is, I will help facilitate that information turnover.

This will conclude our representation of you in this matter. It has been an honor and a privilege to represent you, and I am pleased to have been able to achieve such a favorable outcome in your case. As always if you have any additional questions or require any further clarification, please feel free to reach out to my office and I would be happy to assist you at that time. If you would like a copy of your file, please notify our office within 30 days of the receipt of this letter. Should you wish to leave a Google review of Whalen Law Office, which can remain anonymous if preferred, we appreciate all feedback.

Sincerely,

Ryne T. Sandel
